

Read The Room

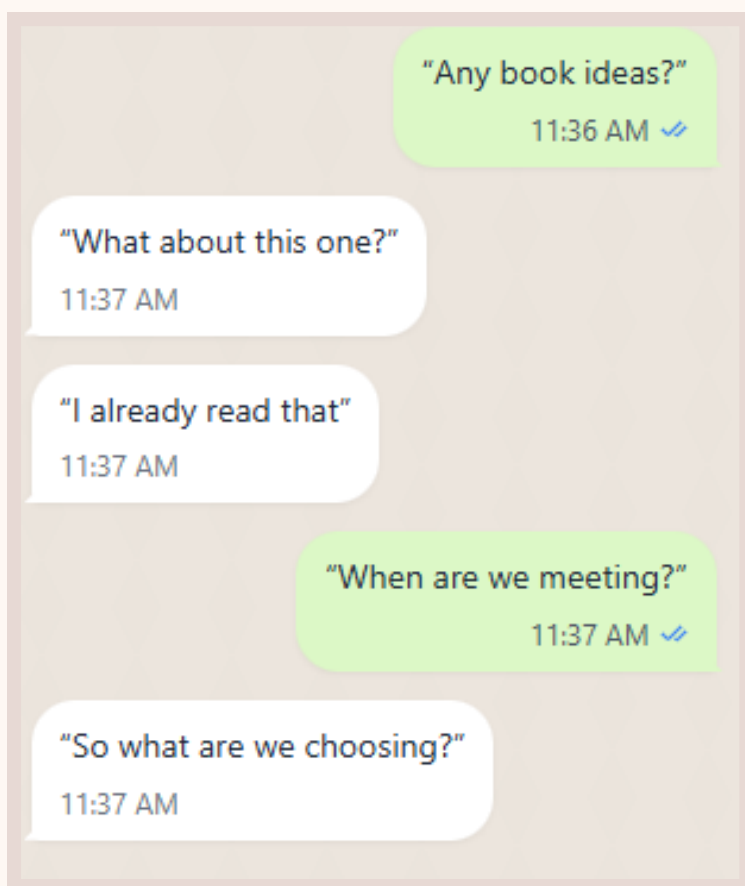

Your book club, without the chaos.

A reading app for book clubs to choose, track and discuss books together.

For physical book clubs that want fairer book choices and less planning chaos.

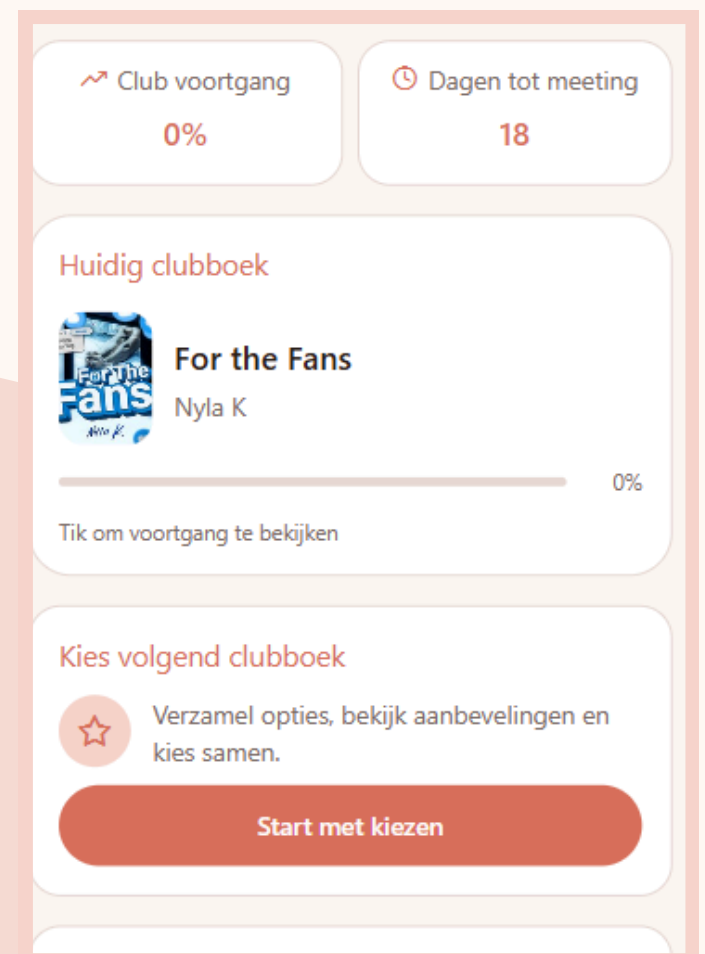

Before

Messy group chat

After

One shared reading space

Choose together

Group-fit book choices

Track progress

Shared reading updates

Discuss better

Prompts for meetings

Most reading apps help *one* reader choose
Read The Room helps the whole club decide
